Reading Raven	App for K/1 students to practice and expand on basic reading skills. It has levels and builds on previous accomplishments. AND IT IS FUN!
Eggy 250	<p>App made by Reading Eggs... this one focuses on Sight Words. They have a free version (Eggy 100) but this one is well worth the cheap price tag.</p> <p>Related apps Eggy 1-10, Nursery Rhymes, Phonics 1 (iPad only), and Eggy Alphabet</p>
Monkey Word School	<p>ALL the THUD apps are great and this one is amazing. It has tons of FUN basic reading skill games and activities.</p> <p>Related apps: Monkey Preschool Lunchbox, Monkey Mathscool Sunshine</p>

Scholastic Storaia	<p>This app is awesome bc it is multi platform. I have it on my PC and on iPads. It is a free book reader app, but you do have to pay for the individual books. You can use Scholastic dollars for it though. You buy the book once and you have it on ALL your devices!</p>
Grandpa's Workshop and Grandma Garden	<p>These are two apps that every single student I have ever taught LOVES. You use math skills in settings, like measuring wood to cut.</p>
Hungry Monster Build a Word	<p>Another great leveled basic reading app</p>
Subitizing Tree	<p>This is an awesome math app for young learners that builds number sense skills using cards, dominoes, dice, ten frames, fingers, etc.</p>
Bugs and Numbers	<p>This app provides a very fun and visual select of games to use math skills with BUGS!</p> <p>Related apps include</p> <p>Bugs and Bubbles, Bugs and Buttons</p>

Earth School	This is a science app to teach and review Space facts about the Earth, Sun, and outer space.
Sky Fish	This is an iPad only app but it is a fun way to teach and review phonics.
world atlas	free maps physical and political
encyclopedia Britannica for kids	wonderful reference for projects and reports
science for ipad	wonderful pictures and videos of topics you cover in all middle school science classes
Tick Baits Universe	explore solar systems and look at microscopic things like bacteria and protons
khan academy	video learning on all type of subjects for math and science
Matter by kids discover	magazine quality, easy to read, quizzes and puzzles
Bill Nye the Science guy	all of his videos and info in one place
Atlas by Collins	political and physical maps
congressional moments	major moments in us history

oh no fractions	gives visuals of fractions and show you how to add, subtract, multiply and divide fractions
Fraction Calculator Plus (Free)	Used to add, subtract, multiply, and divide fractions. Kids could used it to check their fractions homework.
Middle School Math 7th grade	Has activities that align to common core standards for the 7th grade.
Monkey in The middle	Basic Skills math game, good for reviewing times tables
Mathway (free)	Kids can type any math problem into the app and it gives them the answer (great for checking work)
My Script Calculator	you hand write a math problem into the app and it makes it type and then gives you the answer. Great for checking work.
Sushi Monster	Game for reviewing basic skills, has several levels and great music.

Minds of Math	Is a time line of great mathematicians starting from 1000 to present day. You can click on the person or event, and a description comes up. Great for the "Why do I have to learn this" questions.
operation math	be a secret agent while working on math skills
myHomework student planner	students can record homework and important dates right on their phone or iPad. No need for the bulky planner.
algebra touch	goes step by step on how to solve equations
Go Class	Organizes a sequence of teaching events- images, docs, video, assessment, etc...for students to access via a tablet or mobile device.
Virtual Rome	visit ancient rome via your ipad
Tap Map Quiz	Learn countries via this game
Your World	learn countries by placing countries into their correct spot on the globe
Flash Board	this app turns your ipad into a cue card
Timeline Builder	create historical timelines

gflash+	have students create their own flashcards
Name Selector	choose students completely at random with this app
Zite	magazine that allows you to set the the subjects you want in it
VN Wall	look up any name on the VN memorial and get basic infor about that person
Grade It!	free easy grader https://itunes.apple.com/us/app/grade-it!/id447735490?mt=8
cloudon	https://itunes.apple.com/us/app/cloudon / id474025452?mt=8 Links you to your Dropbox, google drive, or sky drive account - or all of them if you use multiple storage apps - and then allows you to view, edit, or even create from scratch PowerPoint, word, and excel docs.
	classroom resources like printable posters and activities that you can search, view and download.

Teacher's Pet	https://itunes.apple.com/us/app/teacher-s-pet-classroom-display/id598245824?mt=8
World Development Indicators Datafinder	https://itunes.apple.com/us/app/wdi-datafinder/id349081196?mt=8 Offered by the world bank, this app provides searchable information on any country in the world.
The World in Figures	https://itunes.apple.com/us/app/world-in-figures-ipad-edition/id497729555?mt=8 Searchable app for over 190 countries based on 2013 info from the economist
Good Docs	https://itunes.apple.com/us/app/good-docs-google-docs-html/id497126376?mt=8 Multi-purpose app for google docs... My fave part is that there is a handwriting app with a zoom application. One of the best I've used.

Penultimate	<p>Free Handwriting app to link to your Evernote account.</p> <p>Lack of a zoom makes writing not as pretty but coolest feature is that it can search your handwriting.</p> <p>https://itunes.apple.com/us/app/penultimate/id354098826?mt=8</p>
Living Organized	<p>Great planner app that offers all the usual calendar & task stuff plus it has a vault to keep passwords. Can also download the</p>
	<p>iphone app and they will sync over their own network, so it doesn't use any of your icloud space.</p>

InstaGrade	<p>It's an iphone app, but depending on how good your camera is on your ipad, you could use it. It allows you to link with your free instagrade online account to grade multiple choice tests for instant feedback... while the student watches!</p> <p>Also, you can have the answer sheets laminated so that the students can use dry erase markers and thus constantly save on paper and copying.</p>
BooksApp 2	Can be used to catalog your book library.
BookScanner	used with Accelerated Reading to scan book bar codes to find Quiz number, book level, word count and points.
Level It Books	scan book ISBN to get Lexile Level and Guided Reading Level.
Super 7 HD	practice math skills
Bluster	vocabulary building game
Sliceit	math problem solving
Socrative Teacher	student response system
Barefoot World Atlas	interactive 3D globe

Aesop for children	contains over 140 classic fables
